Total Transit Recognized With Two ACE Awards

Total Transit named one of the fastest growing companies in Arizona

PHOENIX (Sept. 22, 2014) — [Total Transit](#), the parent company of [Discount Cab](#), was ranked 21st on the 'Fastest Growing Companies' list by the *Phoenix Business Journal* for the second year in a row, published on Sept. 19. The list was compiled for the publication's Arizona Corporate Excellence (ACE) awards, which were held on Sept. 18. The fastest growing companies were calculated by using a growth score, which looked at the each company's revenue growth over a two-year period.

Total Transit was also ranked 31 out of the top 50 largest private companies, up from number 40 last year. These companies were ranked based on revenue over a 12-month period.

"We continue to relish in the growth of the company year over year and are continuing to innovate with new technologies and services demanded by today's on-the-go consumers," said Craig Hughes, Total Transit CEO.

The largest private companies in Arizona generate revenues of more than \$15 billion per year. They employ more than 40,000 employees in the state and are very important to the economy of Arizona and to the families of their employees.

The goal of the ACE Awards is to develop an increasing sense of knowledge-sharing and community among private companies in Arizona. Through participation in the program, the ACE Awards will provide a means for executives at all levels to enhance their personal networks.
