Total Transit Prepares To Surprise 40 Millionth Passenger

*One lucky Discount Cab passenger will receive free cab rides for a year**

PHOENIX (May 8, 2014)—Arizona transportation company [Total Transit](#), the parent company of [Discount Cab](#), is preparing to give its 40 millionth passenger a ride.

The unsuspecting passenger will be given free cab rides for a year* (\$200 per month for a total value of \$2,400) and other fun surprise gifts:

- A Shop, Dine & Play package from Vestar
- Baseball tickets to a hometown game at Chase Field

“This is an exciting milestone for us. We’ve been proudly serving Arizona for 30 years,” said Craig Hughes, Total Transit CEO. “It’s hard to believe that we can soon say we have transported 40 million people, which remarkably is about seven times the population of Arizona.”

Hughes started the company in 1984 with just 15 cabs. The fleet now has more than 1,000 vehicles and dispatchers take up to 17,000 calls a day.

Total Transit estimates the 40 millionth passenger will take a ride at the end of next week, May 14-16.

EDITOR’S NOTE: A media alert will be sent to you the morning of the 40 millionth ride, detailing time and pick-up location of the trip. Craig Hughes will be on hand to present the rider with their prizes.

About Total Transit

Total Transit, Inc., a privately owned Arizona based corporation, was founded in 1984, and offers comprehensive transportation management, private and public transportation

services. Headquartered in the Phoenix suburb of Glendale, Arizona, Total Transit has grown into one of the premier transportation companies in the country, with operations throughout Arizona and in several other states. For the last 30 years, Total Transit has delivered outstanding service levels and has developed innovative and unique transportation solutions, such as mobility/wheelchair-accommodating and eco-friendly transportation for its clientele.

Total Transit is also locally known in Arizona as the parent company of Discount Cab, one of the largest cab companies in the Southwest, operating a fleet of more than 1,000 cabs, including the largest fleet of hybrid Toyota Prius cabs in North America. In fact, over 85% of the Discount Cab fleet is made up of these highly fuel-efficient hybrids.
