Total Transit Recognized As ‘Best Place To Work’

Total Transit named as a top company to work for in 2013

PHOENIX (Dec. 31, 2013) - Total Transit, the parent company of Discount Cab, was recently named a “Best Place to Work” by Best Companies AZ and the Phoenix Business Journal. This year was Total Transit’s first time making the list. The rankings were compiled by employee ratings on internal surveys, and by looking at the perks offered by the company.

Total Transit was ranked one of the top 100 best companies to work for, and was recognized at an event on December 12. Best Companies AZ said each company awarded as a best place to work has a unique approach to business, creates a thriving workplace culture and strives to be the best in their industry. These companies - including Total Transit - are growing, hiring and doing things right.

“We’re honored to make the list and we’re so glad that our employees have rated us as a great place to work. As we get ready to celebrate 30 years in business, we couldn’t be happier to be recognized with this award,” said Craig Hughes, Total Transit CEO.

In October, Total Transit received an Arizona Corporate Excellence (ACE) award and was listed both as one of the largest private companies in Arizona and one of the fastest growing companies in the state. The goal of the ACE Awards is to develop an increasing sense of knowledge-sharing and community among private companies in Arizona. Total Transit is a local company that knows and serves Arizona.
