## **Total Transit Celebrates 30<sup>th</sup> Anniversary**

*Company expects to transport its 40 millionth passenger in March*

**PHOENIX (Feb. 28, 2014)**—Arizona transportation company [Total Transit](#), the parent company of [Discount Cab](#), celebrates its 30<sup>th</sup> year in business on March 1.

Total Transit serves the greater Phoenix and Tucson areas in multiple capacities, including Discount Cab passengers as well as servicing Dial-A-Ride passengers.

“We’ve been proudly serving Arizona for 30 years,” said Craig Hughes, Total Transit CEO. “It’s hard to believe we can soon say we have transported 40 million people in the past three decades. We’re excited about our growth and serving Arizona in new and different ways.”

Hughes started the company on February 29, 1984 with 15 cabs and about 70 calls for service a day. The cost of a cab at the time was 90 cents per mile.

Total Transit now employs more than 2,000 independent contractor drivers and 417 full-time employees. They receive 400,000 calls a month and that number continues to increase.

The continued success of Total Transit can be attributed to Hughes’ leadership and ability to adapt to the ever-changing landscape of the industry. The company will debut a new mobile phone app in the coming months and they continue to look for ways to grow the company.

Total Transit thinks the 40 millionth passenger will take a ride in mid March, and is planning a celebration around this milestone.
