Reinvented Senior Shuttle Program Receives Accolades

Cab service gives seniors flexibility in getting transportation to meals, social activities

PHOENIX (July 9, 2014)—Women’s Transportation Seminar (WTS) International has awarded the Innovative Transportation Solutions Award to the City of Phoenix for its Senior Shuttle program.

Arizona transportation company [Total Transit](#), the parent company of [Discount Cab](#), provides the cab rides for this reinvented Senior Shuttle program.

The Phoenix program has existed for more than four decades, but it has transformed from a Reserve-A-Ride mini-bus service to cab rides. The city has been working since late 2012 to make the transportation service faster and more convenient for seniors using the program.

Using cabs now saves both time and money. The service has increased flexibility and expanded service hours.

“We’re proud to partner with the City of Phoenix to provide transportation for seniors in Phoenix who are not able to drive. The service gives individuals the flexibility to get a ride when they really need one, rather than on a set schedule,” said Craig Hughes, Total Transit CEO.

About Total Transit

Total Transit, Inc., a privately owned Arizona based corporation, was founded in 1984, and offers comprehensive transportation management, private and public transportation services. Headquartered in the Phoenix suburb of Glendale, Arizona, Total Transit has grown into one of the premier transportation companies in the country, with operations throughout Arizona and in several other states. For the last 30 years, Total Transit has

delivered outstanding service levels and has developed innovative and unique transportation solutions, such as mobility/wheelchair-accommodating and eco-friendly transportation for its clientele.

Total Transit is also locally known in Arizona as the parent company of Discount Cab, one of the largest cab companies in the Southwest, operating a fleet of more than 1,050 cabs, including the largest fleet of hybrid Toyota Prius cabs in North America. In fact, over 85% of the Discount Cab fleet is made up of these highly fuel-efficient hybrids.
